Ms. Nancy McNeil
Regulatory Affairs Officer
The Utility and Review Board
PO Box 1692, Unit M
Halifax, NS B3J 3S3

Dear Ms. McNeil:

This letter is to express the Municipality of Kings strong support for the application that the Board will consider in regards to the extension of the water system by the Canning Water Utility to service the area of Kingsport.

As you have been made aware through communication from the Canning Water Utility, the area is currently serviced by individual wells which in some cases are not meeting Canadian Drinking Water Standards. This situation is expected to deteriorate as salt water intrusion moves further inland.

The community and Council have moved forward on the various challenges to finance the capital costs of the extension and are keen to commence construction of the needed infrastructure. If staff of the Municipality can assist they would be pleased to do so.

Sincerely,

Fed Whalen
Warden
